The Calgary Waldorf School collects personal information only for reasonable purposes related to school operation, administration, educational and volunteer activities according to our Privacy of Personal Information Policy. Once a student is accepted and enrolled in the school the information provided on this form (student name(s), parent/guardian name(s), addresses and home phone numbers) will be published in the Waldorf School Family Directory which is distributed to school staff and families

Please complete the information on the back of this form where applicable.

New applications: Please note any details about your child which will be helpful to the teachers e.g. special interests and abilities; physical characteristics; any behaviour, medical or emotional difficulties to overcome; academic strengths and weaknesses. If you are transferring your child from another school you may wish to include your reasons for doing so.

Why would you like your child to attend the Calgary Waldorf School?

How did you find out about our school?

Have you attended a School Tour, or had the opportunity to attend any lectures or events hosted by the Calgary Waldorf School?
