Campaign Offerings Include:

This is Rebel Bean's most popular medium roast blend (Jitterbug), rebranded to support Calgary Waldorf School as the **Morning Circle Blend**. Whether you choose this blend because of its name, it's custom designed label, or it's mellow, bright, caramel-infused flavour, this is an easy drinking cup.

Coffee lovers will enjoy the bold intensity of this blend. Earthy Central and South American beans are roasted to bring out the nutty flavours and spicy characteristics in this coffee.

Easy Rider is a smooth, sweet, easy to drink Espresso. Beans from Indonesia, Central, and South America combine to offer a caramel-infused cup with a beautiful, rich crema. Easy Rider is perfect on its own or when combined with frothy steamed milk.

This single origin Decaf coffee from Peru has been naturally decaffeinated using the Swiss Water Process method. Rebel Bean's Peru Decaf has become sought after for its nutty fragrance, creamy richness and chocolatey flavour.
